

FLOORPLAN PARTNERSHIP REQUEST

ADESA AUCTIONS CANADA CORPORATION | ADESA MONTREAL CORPORATION | ADESA QUEBEC CORPORATION | OPENLANE CANADA, INC. | Nth GEN SOFTWARE, INC. (TradeRev)
Collectively "OPENLANE"

OPENLANE is currently partnered with AFC and NextGear to help make buying wholesale inventory easier. You can request your purchases be directly applied to your Floorplan by selecting your preferred Floorplan when bidding on or purchasing vehicles online. This enables you to floor the vehicle purchase price, transportation price* and auction fees.
(* Applicable only if transportation is ordered at time of vehicle purchase)

Registration

To use your AFC or NextGear Floorplan, complete the attached Floorplan Partnership Request Form. OPENLANE will work to enable your Floorplan account online. Once set up, you will no longer need to call your Floorplan Company to request flooring for an online purchase again.

How to buy online using your Floorplan:

OPENLANE will submit your request to floor your purchase immediately upon the auction close. The floorplan company will submit payment on your behalf if flooring is approved. In the event of insufficient available credit or your access to credit has been nullified by the floorplan company, you will be notified and must deliver payment by direct debit or wire transfer to OPENLANE within one business day.

When purchasing, you can still choose the other payment methods you are registered for including Direct Debit (EFT), Wire or dealer check.
