

Election and Revocation of Election Between Auctioneer and Principal

A registrant principal and a registrant auctioneer can use this form to jointly elect to have the principal charge and account for the GST/HST on taxable sales of prescribed property made by the auctioneer on behalf of the principal. To make an election, fill out Parts A, B, C, D, and E. To revoke an election, fill out Parts A, B, and F. For more information, see page 4.

Part C – Eligibility

Describe the property to which this election applies (Any additional information can be attached on a separate sheet.)

MOTOR VEHICLES DESIGNED FOR HIGHWAY USE OR OTHER ELIGIBLE PRESCRIBED PROPERTY.

Answer the two questions below by ticking the appropriate box:

1. Is the property described above prescribed property? (See page 4 for the definition of prescribed property.) Yes No

2. Would the sale of the property described above be taxable if it was made by the principal? Yes No

We answered **yes** to both questions, and we jointly elect for the principal to account for the GST/HST on taxable sales of prescribed property described above instead of the auctioneer. We understand that the election is in effect for each day of the duration (that we indicate on the next page) that 90% or more of the proceeds from the auctioneer's sales on the principal's behalf are attributable to sales of prescribed property to which this election applies. If there is a day during the duration that this 90% test, or any of the other requirements of Part C, is not satisfied, the election does not apply **for that day**.
